

requesting postponement in this case as well so that all of the antidumping cases will remain on the same schedule and, thus, permit the International Trade Commission to cumulate the cases if it deems appropriate to do so. For these same reasons, petitioners also ask the Department to postpone all of the above-referenced cases by the same number of days in order to ensure that they remain on identical time schedules.

For the reasons identified by petitioners, we are postponing the preliminary determinations under Section 733(c)(1) of the Act. We will make our preliminary determinations no later than February 25, 1998.

This notice is published pursuant section 733(c)(2) of the Act and 19 CFR 351.205(f).

Dated: December 16, 1997.

Holly Kuga,

Acting Deputy Assistant Secretary AD/CVD Enforcement, Group II.

Department of the Navy

Public Hearing for the Draft Environmental Impact; Statement/Environmental Impact Report (DEIS/EIR) for the Disposal of the Long Beach Naval Station (NAVSTA) and the Long Beach Naval Shipyard (NSY)

AGENCY: Department of the Navy, DoD.

ACTION: Announcement of public hearing.

SUMMARY: The Department of the Navy and the City of Long Beach have prepared and filed with the U.S. Environmental Protection Agency a Draft Environmental Impact Statement/Environmental Impact Report (DEIS/

EIR) for the disposal of NAVSTA and NSY and the subsequent reuse of those properties and other adjacent properties. A public hearing will be held for the purpose to receive oral and written comments on the DEIS/EIR. Federal, state and local agencies, and interested individuals are invited to be present or represented at the hearing.

DATES: Hearing date is as follows:

1. January 14, 1998, 7:00 p.m., Long Beach, CA.

ADDRESSES: Hearing location is:

1. Long Beach—the City of Long Beach Council Chambers, 333 West Ocean Boulevard, Long Beach, California.

FOR FURTHER INFORMATION CONTACT: Ms. Melanie Ault, (619) 532-4744.

SUPPLEMENTARY INFORMATION: Pursuant to the Council on Environmental Quality regulations (40 CFR parts 1500-1508) implementing the procedural provisions of National Environmental Policy Act (NEPA), California Public Resources Code 21000 *et seq.*, and 14 California Code of Regulation 15000 *et seq.*, implementing the procedural provisions of the California Environmental Quality Act (CEQA), the Department of the Navy and the City of Long Beach have prepared and filed with the U.S. Environmental Protection Agency a DEIS/EIR for the disposal of NAVSTA and NSY and the subsequent reuse of those properties and other adjacent properties. The DEIS/EIR has also been prepared in accordance with the Defense Base Closure and Realignment Act of 1990 (DBCRA) (10 U.S.C. 2687 note) and the recommendations of the Defense Base Closure and Realignment Commission approved by the President and accepted by Congress in 1991 and 1995.

The purpose of the proposed federal action is to dispose of NAVSTA and NSY for reuse in accordance with DBCRA established procedures for closing and realigning military installations. The portion of NAVSTA addressed in this action includes the main station, the Navy Mole, and Site 6A-LB. The Navy Fuel Depot, located on the Navy Mole, was not declared to be surplus to the needs of the federal government and will remain the property of the Navy. Of the 250 acres NSY site, 84 acres are subject to reversion under the terms of the final judgment in *United States of America v. 1039 Acres of Land etc. et. al.* The Navy has no discretion regarding the reversion of this property. There are also 602 acres of submerged land that will revert to the City under the terms of that judgment. The remaining land at NSY will be disposed of by the Navy under
